

After the end of the war Toshiko Nakayama who turned 24 years old this year had the marriage proposal about two times. The first story has been discontinued without so not satisfactory and putting it in person in question s ear under mother. The second times did mother very much by the nature ride by the one brought in by Soejima s aunt and introduced Toshiko and other party s persons concerned in Mr. Ms. Soejima s house by implication. Other party s person concerned and Tsutsui seemed to be splendid characters. It worked for the company where Soejima s uncle was the director and the company that existed in a directly connected relation. It was mobilized during the war by the economics person and Accounting Department of the army had worked only for two years. The character did not gently have any angularities and there seemed to be no what etc. to quarrel to the colleague. It is diligent fairly and the rate of absenteeism small though a still special talent is not shown. There seemed to be not uneasiness in the life in the future because there was late father s inheritance acceptable either. I hear it was turning over before a little as for stomach and intestines and it was quite healthy now. I hear that it is of normal height and build the color white one and was a handsome type. I hear that everyone was moderate sake the cigarette and other hobby amusements. As the marriage proposal such an outline was the one considerably pierced and was the same as not talking about anything actually. It seemed that all were us like an irrelevant another thing though Toshiko Nakayama was made to hear them from mother and other party s photograph was shown. End of the war still several after marriage mind right come leave vague huge free breath chest swell do It was unabashedly comparatively when meeting other party s person in Mr. Ms. Soejima s house. The person of friendship not related was invited to Mr. Ms. Soejima s house with the business every year on March 15 in uncle aunt s wedding anniversary. The afternoon was a group of tea chiefly a group of the meal at old friend s people and nights and relatives people chiefly. It was always taken out to the boast that it became a cathedral cave completely carrying the main goods including the bride insertion clothes to which the aunt was brought to the pawnshop when hard life was fairly done and crowding the old times in the house. Because it was a boast present richness was the proof from the beginning. The gathering broke off for one year for the air raid and it revived next year of the end of the war. Toshiko Nakayama was taken by mother and went to Mr. Ms. Soejima s house in the early afternoon. Always the class it at night realized and Toshiko realized relating to a small room still more deliberately than usual becoming in daytime the marriage proposal of the example the visitor their having been made make it up by additionally various signs. having been made them go It was only the uncle outside of the aunt and it was a guest of 45 in the hall of piercing as for 10 mats and 8 mats. Toshiko realized that the our youngest person was this Tsutsui. The introduction of putting was not performed to a mysterious thing to the last minute
